

# Asmi Advanced Learning Programme

**Empowering Tomorrow's Psychologists, Today**

## Immersion Program

**October , 2024 | 1 WEEK | FIELD VISITS**

**Immersion**

**Week-Long Industry Experience**

## OVERVIEW

The field of psychology in India is rapidly evolving, with an increasing demand for skilled professionals who can address mental health challenges and promote well-being. However, many psychology aspirants and freshers lack the practical training necessary to excel in this dynamic industry. This gap in hands-on experience leaves them unprepared for real-world scenarios.

At AsmiVeda, we transform psychology education through hands-on training and real-world experience. Our mission is to empower aspiring psychologists with the knowledge and skills needed to succeed. With over 5000 hours of learning and 100+ inspiring success stories, our updated curriculum and focus on collaboration ensure top-tier education.

One of its kind immersion program offers a comprehensive industry experience through daily field visits to various organisations, providing unique insights and practical knowledge. Participants will earn a unique certification for each day's visit, validating their participation and skills acquired.

## WHO IS THIS PROGRAM FOR?

This training program is designed to promote mental well-being and equip participants with essential skills to understand and address mental health challenges.

One of its kind immersion program offers a comprehensive industry experience through daily field visits to various organisations, providing unique insights and practical knowledge. ## Certifications

Participants will receive a total of five unique certificates, one for each day's visit, recognizing their comprehensive industry immersion experience.

“Shadowing sessions was an eye-opening experience. I witnessed the complexities of mental health care firsthand. It was inspiring to witness the therapeutic process in action.”

Sandhya

“Observing clinical practice firsthand solidified my career aspirations. The Immersion Program at Asmi Veda is truly one of a kind. This experience honed my ability to engage with diverse audiences.”

Ananya

“The visit to Tihar Jail was a stark reality check. While challenging, it provided a deep understanding of the psychological impact of incarceration. I gained a new perspective on criminal behavior.”

Aryan

“Visiting NGOs was incredibly rewarding. I realized the power of psychology in creating positive social change. This experience has inspired me to pursue a career in community psychology.”
